

Sienna § Academy

*For Therapeutic Art and Artistic Painting
according to the method of Liane Collot d'Herbois*

Entrance requirements:

N.B. The Sienna Academy Training is a post graduate training accredited by iARTE. This means that when you graduate, you practice as a Painting Therapist under your present professional title.

- Qualifications - Your present professional title must have a qualification from one of the following areas: Teaching; Medical; Therapeutic (For complete list please refer to document: 'Post Graduate Painting Therapy Training – Prior qualifications')
- Anthroposophy - You need to have a degree of familiarity with or openness to learn about the anthroposophic background
- Maturity – you need to have a minimum age limit of 28 years

Enrollment Procedure

1. A personal interview; skype or telephone interview*
2. Scanned copies of your previous qualifications in relation to the above categories
3. A short biography
4. A letter describing your motivation for doing the course
5. Referee contact details for 3 people: a recent supervisor; a colleague and someone working under your supervision
6. Signed Health Declaration
7. Signed Code of Conduct
8. Return of the enrolment form together with the administration fee of \$100

***Guiding principles in the interview:**

- Student's background, training, qualifications and experience.
- Feasibility assessment with respect to the student's likelihood of completing the training
- Applicant's suitability for the training.
